**Hot?**

Wanted to make prom the most memorable night of your life, didn't you? Spent \$100 on that GQ-worthy tux. \$30 on flowers for your date. \$60 on dinner at that fancy restaurant. And \$100 for the limo to travel in style.

But then you partied yourself into a drunken stupor. You'll never remember, but everyone else will. Your "friends" documented it with their phones and cameras and posted it on the Internet for everyone to enjoy. Forever. For future employers. College admissions counselors. And your parents!

**Not!**
